

## Syracuse Youth Court Police Interview Instructions

You have been assigned to interview a police officer as part of your Youth Court disposition contract. You should contact the resource officer at your school to set up an appointment for an interview. You may also call the Syracuse Police department (801-825-4400) and request a police officer to contact you to set an appointment for an interview.

**The police officer is not responsible for the interview, you are!**

Use the space below to write questions before you go to your interview so you will know what you will be asking the officer in the interview. Parents may help you think of questions to ask. **Questions must pertain to the crime committed.**

Write up a summary of your interview. The summary should list the questions asked, the police officer's responses, and what you learned from the experience. Bring your write up of the interview to your Youth Court return hearing.
