

BULK WATER FILL STATION

We provide a water dispensing station for the convenience of contractors, street sweeping companies and people trucking water for domestic use.

Our water dispensing station is located at approximately 3000 S 2400 W, Syracuse (South of the Equestrian Arena by the RV dump station). A 3" FEMALE threaded fire hose will need to be provided by the customer to fill water.

There are three easy ways to pay:

- Prepay at Public Works- Bring check, cash, or credit card into Public Works at 3061 S 2400 W, Syracuse during business hours of 7:30 a.m. - 4:30 p.m.
- Credit Card- Simply swipe your Visa, Mastercard, Discover, Apple Pay, or Google Pay
- PortaPay- Preload money at your own convenience and share pin numbers with your company.

To set up a Portapay account:

- Go to Portapay.com
- Click "Create New Account," and use PAL9055 as your facility code
- Once you complete and submit your information, a confirmation email will be sent to you. Click the link to confirm your email address.
- Login at Portapay.com and make a payment using the "Manage Funds" page
- Use the access number and PIN on the Access Numbers page to login at the station and draw water
- Refunds can only be issued from PortaPay and require a valid payment method associated with the account
